17 September 1982

MEMORANDUM FOR: Deputy Director for Intelligence

FROM : EA/DDCI

At today's DCI/DDCI meeting with Secretary Shultz, the Secretary said that he was still anxious to have any ideas regarding what Gromyko might say or do during his upcoming meeting on 20 September.

The Secretary would also like to be provided with any information on Namibia/South Africa, including what if any impact the Cuban reinforcements in Angola might have on Namibia. Any information on this subject should be provided on an as available basis through publications.
